

**Aeroplane Pilot Training CPL/MECIR/ATPL**  
**Helicopter Pilot Training CPL-HR44**  
**M-DCA Approved Flight Training Academy**

## INTRODUCTION

Asia Pacific Flight Training Sdn Bhd (APFT) is the only Flight Training Centre in Malaysia that can offer you a Theory School and Flight Training in both Aeroplanes and helicopters, right up to gaining your Commercial Pilot's Licence; then on to the likes of Multi-Engine Command Instrument Rating That's everything you need to start your career in aviation

APFT opened its academy of flight training, Asia Pacific Flight Training (APFT) to specialize in airline pilot courses for commercial airlines at Sultan Ismail Petra Airport, Pengkalan Chepa, Kota Bharu, Kelantan

APFT is fully accredited by the Department of Civil Aviation (DCA) and the Ministry of Higher Education Malaysia as an advanced tertiary training institution Internationally recognised by the International Civil Aviation Organisation (ICAO), APFT has been selected by Malaysia Airlines and other major airlines as an approved organization for flight training of their cadet pilots

At APFT training cadets are exposed to an aviation environment where airline domestic operations occur daily  
Sultan Ismail Petra Airport operates a first-class airfield, equipped with Radar, Instrument Landing System and other approach aids
