

AIRWAYS AVIATION, QUEENSLAND, AUSTRALIA
AEOPLANE PILOT TRAINING CPL & MECIR
CASA APPROVED FLIGHT TRAINING ACADEMY

INTRODUCTION

- ❖ Airways Aviation is located in Queensland, Australia with flight training campuses in Gold Coast and Caloundra Airways Aviation Flight Training Academy is the only Flight Training Academy in Australia that can offer you a Theory School and Flight Training in both Aeroplanes and Helicopters, right up to gaining your Commercial Pilot’s Licence; then on to the likes of Multi-Engine Command Instrument Rating. That’s everything you need to start your career in aviation from Australia’s leading school!
- ❖ Airways Aviation is one of the largest and most successful combined flying schools in Australia. We are a Government Approved Registered Training Organisation, teaching both international and Australian students. We provide diversified and specialized aviation services throughout Australia and internationally in the areas of training, operations and education courses
- ❖ Airways Aviation is a prestigious owned aviation training college that delivers high quality training which is fully approved by Australian Civil Aviation Safety Authority(CASA) and International Civil Aviation Organisation(ICAO) which is internationally recognised by member countries around the world
- ❖ Airways Aviation is well equipped to train overseas students to become airline commercial pilots to fly for local and major International airlines in the world
